All the World Our Debtor-Home and Its Sacred Influences-Reminiscences of Half a Century Ago.

representatives of European powers and of the United States, persecution of the Jews continues in Morocco.

New York, November 29.—Rev. Dr. T. DeWitt Talmage preached yesterday to the usual congregation. The platform and galleries were decorated with the fruits of the

later on, lament.

In our railroad column this morning, on the third page, will be found accounts of railroad accidents and other matters of interest to the general reader.

Beaconspield's new story, Endymion, is all the rage. The New York papers have expended to the leaves and read the text for yourselves. And these palm-trees from South Carolina, at either end of the platform, and this river and this super rain clouds and this corn from New Jersey, from Long Island, and this corn from New Jersey, worst across the organ pipes so as to help make up to the chandeller, the upholstery of southern forests, the bridal veil of topical woods; and these shells from the facility—all these will preach to you while I simply interpret. Where did thou come from, Of the rage. The New York papers have expended to the leaves and read the text for yourselves. And these palm-trees from South Carolina, at either end of the platform, and this system and this super and golden or from Colomado, and this rice worst across the organ pipes so as to help make up the chandeller, the upholstery of southern forests, the bridal veil of topical woods; and these Shells from the first paper and golden or from Colomado, and this rice worst across the organ pipes so as to help make up the Union, and this rice worst across the organ pipes so as to help make up the later and this super and the super and the

THE SOLID SOUTH,

change in the silver dollar." Yet we often hear people asking for change for the silver dollar.

The New Orleans Picuyane, of Saturday, says: "To-day there was the greatest excitement ever witnessed on 'change, and the market had the effect of putting a stop to the spot business."

The Louisville Courier-Journal will have its joke. It says: "Dr. Talmage says 'the south can afford to let politics alone and attend to cotion,' and that reminds us that cotton is a source of comfort to many disappointed bosoms."

THESOLID SOUTH, but I am glad to stand shoulder to shoulder with the products of tardhen in the products of the sand shoulder to shoulder with the products of the sand shoulder to shoulder with the products of the sand shoulder to shoulder with the products of the the products of the same stated is a sunch as you could expect; our will notice there is no mark of blood on my forehead; I came here to day to shake hands with Michigan wheat." The Louisville Courier-Journal will have its joke. It says: "Dr. Talmage says 'the south can afford to let politics alone and attend to cotion,' and that reminds us that cotton is a source of comfort to many disappointed bosoms."

"THE GIVERT WAS THE DINNER, would want to be an angel." Whe he accould be a blood of the people, to measure, weigh for and protect each citizen alike." So says the New York Ballion. When the servant does his duty, we shall know how many pounds and ounces go to the make-up of every baby.

A SYNDICATE of prominent New York bankers have taken the bonds of the North-err Pacific railroad, so that great project will go forward to its completion, and Puget's sound will be largered and the bonds of the North-err Pacific railroad, so that great project will go forward to its completion, and Puget's sound will be largered and the blood of the new years the member of the great project will go forward to its completion, and Puget's sound will be largered and the blood of the new part a lost art. The tariff question has come into politics to stay—"a tariff for revenue only" will be found to have a meaning in it. It means no monopoly, and liberty for every American citizen to buy where he can buy the chearest and sell where he can buy the chearest and sell where he can buy the chearest and sell where he can buy the chearest through the occurrence, though whether the shooting was done wilfully or the death the result of accident remains to be ascertained.

The given the provided the substitution of the proposed the men and the control of the proposed them are not on the mighty Pacific occan.

A nior at Denver, of which our telegram gives the news, was a serious affair. Lientennan-Governor Robinson came to his death through the occurrence, though whether the shooting was done wilfully or the death the result of accident remains to be ascertained.

A nior at Denver, of which our telegram gives the news, was a serious affair. Lientennan-Governor Robinson came to his death through the occurrence, though whether the shooting was done wilfully or the death the result of accident remains to be ascertained.

citizen to buy where he can buy the cheapest and sell where he can sell the dearest.

A mor at Denver, of which our telegram gives the news, was a serious affair. Lientenant-Governor Robinson came to his death through the occurrence, though whether the shooting was done wilfully or the death the result of accident remains to be ascertained.

This great difficulty in the woman question is to get the women to want to have their "rights;" but, as one of the advocates of woman's emancipation says, "How can any woman be expected to have any sentiment whose husbands goes to bed three nights a week with his boots on?"

New Englander: can tell about your pumpkin a trust for Thanksgiving day. Live me an old-fashloned

NEW JERSEY MINCE PIE.

Then we pushed back from the table, and such roaring and meketing and fun. There were five of original and sell says seen, for the old people were as young as any, and what with silindman a bur, and leaping, and whet with silindman a bur, and leaping, and whet with silindman a bur, and leaping, and whet with silindman a bur, and the group around the shooting was done wilfully or the death the result of accident remains to be ascertained.

This great difficulty in the woman question is to get the women to want to have their "rights;" but, as one of the advocates of woman's emancipation says, "How can any woman be expected to have any sentiment whose husbands goes to bed three nights a week with his boots on?"

For the first time during thirty years Eng-

ment there is expected to convert die three per cents into two-and-a-halfs; the enormous amount of capital seeking investment renders the change possible. A similar opportunity for advantageous refunding exists in this country.

GOOD, WHOLESOME TALK; and in the evening, when the young people came, and the old people were in one room and the young people in an uniter young, in the latter there and the old people were in one room and the young people in the nine of the most enterprising papers in the west; we was some lively stepping around. It seems that traversels the who lated the who helped Simon Peter with his net hath blessed our fisheries; He who planed and defended Jerusalian hath built our cities; He who latered at Bethaity was such that and the problem of the most read that the country.

rounded. I a sheek of even that equenth in its good out man. In sheek of even that equenth in its good out man. In sheek of even that equenth in its good out man. Some or this even clinic from the noishborhood of my nativity. Blued he dod that, as David's in time, a this autumn the valleys are even even with corn. Thank dod for husking-time remered with corn.

resping the harvest that yielded that bread; sailors were lashed to the storm in bringing you those foreign delicacles; flocks and berts fell under the butcher's knife to please your palate; miner toiled in damp and darkness to exhume that an thracite, and summer's sun, and howling storm and filed in damp and drawn, and howling storm and crifting snow have sent luxuries to your table, one of your children cry for bread in vain to-day, the barrel of meal has not wasted, nor the cruse of oil falled. Bread, and enough to spare while there perish with hunger.

I step, on my way out, into your library. The lables are covered with magazines and newspapers, and books fresh from all the publishers. Historians particularly and the publishers of the covered with magazines and philosophers of all specif mand. Bancroft, and Prescott, and Macauti ready to tell you the rude story of early Americ or describe the glories of Mexican scenery, or bri-back the cloquence of parliaments that old Dea dissolved with more than the imperiousness of Cromwell. On the poetic shelf are Daton Youn ing the Highland bagpipe, and Walter Scott soun-ing the Highland bagpipe, and Longfellow beating

THE INDIAN WAR HOOP

Washington D. C. November 29.-Gen. PROCLAMATION BY THE PRESIDENT.

THE INDIAN WAR HOOP
through "Hiawatha" and Bryant mineling the moan of the wild wood with the eal of the brown thresher. While Charles Dickens has a shelf all to himself. I expect, because no other can stand beside him, from "Oliver Twist" to "Edwin Brood" avenging the world's wrongs, weeping the world's sorrow, kindling the world's mirth, exposing the world's hypocrisy and ringing the world's stanksgiving. I saw the first gariand put upon his grave. What a pity he had to die so soon. Moan out the grief, oh, bells of Westminster. Thank God for your books—books for hard study; books to waft you into a revery; books to make you laugh; books to make you weep; books in morocco, in satin. In gold; books of ancedote, of travel, of memoir, of legend; books wreathed, starred, columned, errolled; books about birds, about fishes, about animals, about insects; books for the young, books for the old. What is that thunder? I sit the ien-eyinder printing press of Harper and Seribner, and Appleton, and Lippincott and Tichnor? Thunder again! This time it's thas wift revolving press of the one hund of the six hundred and seventy-eight dailies and the five thousand six hundred and thrity-one weeklies of the United States? You may not possess all these blessings of parlor and dressing room and library and dining-hall, but still you all know something of the height and depth and length and broadth of that sweet, tender JOYOUS, TRIUMPHANT WORD—"HOME."

Look not upon it merely as a place to stay, as the line looks upon his lair, or the fox his burrow. y the President: Wheneas, Satisfactory evidence has been given to me by the government of his majesty the emperor of China that no discriminating duties of tonnage or imports are levied in duties of tonnage or imports are levied in the ports of that nation upon vessels wholly belonging to citizens of the United States, or upon the produce, manufactures or merchandise imported in the same;

Therefore, I, Rutherford B. Hayes, President of the United States of America, by virtue of authority in me vested by law, do hereby declare and proclaim that foreign discrimining duties of tonnage and import within the United States are and shall be suspended or discontinued so far as respectively and merchandise imported thereon into the United States from China or from any other foreign country so long as the exemption aforesaid on the part of China of vessels belonging to the citizens of the United States and their cargoes shall be continued, and no longer. In testimony whereof I have here city of Washington this 23d day of November 1 to the United States to be be affixed. Done at the city of Washington this 23d day of November 1 to the very of our Lord one thousand eight hundred and fifth. By the President China and ergan and eight hundred and fifth. By the President, R. B. HAYES.

We EVARES, Secretary of State.

himself printed, and members draw money as they may need it. A member may have to his credit \$1000 or more, and draw it out in small installments. He leaves it with Thompson, precisely the same as he would leave it in a bank, subject to his check. When one cortemplates the amount of money each congressman is entitled to draw, and multiplies the amount by 293 he can appreciate the extent of the banking business done by the sergeant-at-arms. When it is further contemplated that members, or the general run of them, leave a large balance to their credit in the hand of the sergeant-at-arms, he can also realize what a hand-arms, he contemplated that members draw money as they may need it. A member may have to his credit \$1000 or more, and draw it out in small installments. He leaves it with Thompson, precisely the same as he would leave it in a bank, subject to his check. When one cortemplates the amount of money each congressman is entitled to draw, and multiplies the amount by 293 he can appreciate the extent of the banking business done by the sergeant-at-arms. When it is further contemplated that members, or the general run of them, leave a large balance to their credit in the hand of the sergeant-at-arms, were disposed to be dishonest, or was of a venture of mind, he could get away with many thousands of dollars and never be detected until he was relieved of his office and compelled to make a final statement to turn over to his successor; and admit that he was dishonest and had carried on through a series of years extensive speculations and was found out the very rectinent.

question would be: What are the defrauded members going to do about it? The sergeantatarms's bond is only nominal, and is not amenable to members of congress, but only to the United States. In point of law the treasury of the United States pays congress; but by a custom of the house the sergeantatarms acts as a messenger for the members to draw it from the treasury, and retains it until such times as they want to check it out. A dishonest sergeantat-arms could continue to practice dishonesty just so long as members had faith in his The following proclamation has been issued

Commodore Jesses, chief of the bureau of ordnance, submits estimates for the fiscal year 1881 and 1882 aggregating \$306,601. He says: "Our first and most pressing want is guns of the latest and most approved system. At present our ships are principally armed with smooth bores, or smooth bores converted guns have proved very safe and essentially armed accuracy. The progress of gun construction has been so great as to reduce to second-class the entire armament of the navies of the world. But this has been so recent that only model guns have been made, and there is not at this time a single ship affoat armed with a type of effective ordnance. He recommends the use of a larger class of machine guns as of great value Worshiping Grant Bather Than God.

JERSEY CITY, November 29.-Mamie and Annie Artis, respectively four and seven years of age, were playing on the ice in the Morris canal, near their home, this afternoon, when the ice broke and both girls fell into the water. John Barton, aged twelve years, witnessing the accident, ran to the assistance of the little girls and gathered both up in his arms, but before reaching the shore the

TO THE PEOPLE OF THE

DEALERS AND CONSUMERS!

GREATHOLIDAYSALE COMMENCING WEDNESDAY, DECEMBER 1, 1880.

Now is your opportunity to buy the greatest bargains ever offered in fine Ready-Made Clothing. We have on hand an enormous Stock, which we are determined to close out by January 1st. In every department in our mammoth store Men's Clothing, Boys' Clothing and Gents' Furnishing Goods will be marked down, regardless of the cost to manufacture. We prefer doing this than run the risk of carrying over a winter stock of One Hundred Thousand Dollars until next fall, almost a period of twelve months; besides we wish the public to be benefited. Everybody, both rich and poor, will be able to purchase clothing for little money.

We received yesterday 25 cases of Fine and Medium Clothing for our Grand Holiday Display. Those Goods are equal to the best merchant tailoring work. We invite everybody to call and see them.

Country Merchants

(Adjeining Cotton Exchange).

Do not fail to avail yourselves of this rare chance for bargains. We can, and will, sell you Clothing LOWER than any wholesale house in Memphis. We can save you at least Twenty per Cent. on every Dollar you buy from us. Send us your orders. We have a tremendous line of fine and medium-price Overcoats. Everything in Men's, Boys' and Children's Clothing, from two and a half years up to the largest man's size. We have an immense line of Boys' and Children's Overcoats, Dress and School Suits. ONE PRICE HOUSE!
